LEGO STAR WARS

BUILD THE XG-3 STAR WING!

PAGE 1

Among the Empire's many top-secret starfighter projects is the Gamma-class Xg-3 Star Wing, a 5-winged space battle fighter equipped with a hyperdrive, enhanced deflector shields, and a formidable array of laser cannons and concussion missile launchers. The Rebel Alliance had better look out when the Star Wing is on the prowl!

You can build this mighty mini-model using the pieces from the latest BrickMaster Magazine LEGO® *Star Wars*™ set!
